

Disability Access Services

If you would like to speak with us, our office is in Corbett Student Union Center Room 204. You can also [call us](#) or [email us](#)!

Welcome to Disability Access Services!

New Mexico State University is committed to providing reasonable accommodations for qualified NMSU students in accordance with state and federal laws. Disability Access Services at New Mexico State University offers a variety of services to students with documented physical, learning, or psychological disabilities. The first step is to apply for accommodations by clicking the application button on this home page. If you have any questions or need assistance, please call or email to make an appointment.

Completed On:

Tuesday, February 10, 2026 at 05:00 AM

LIST OF QUESTIONS

Question 1: Does the course fundamentally require consistent student attendance and active participation for mastery of the course content? *

- Yes - You may voluntarily provide additional information regarding the importance of attendance and participation from your course syllabus in the additional comment box below.

Question 2: Does learning build on previous class lectures and/or lessons? *

- Yes

Question 3: What is your course's tardiness policy per the syllabus? If you do not require that students arrive on time, please check the last option. *

- Students may arrive up to five minutes late without penalty

You can review the questions your professor answered on the right side of the screen, there are 13 questions

Some examples of answers are seen here

When you are reviewing your Flex Plan information for the course you chose, it will look like this on the left of the screen
